County poor. Taxes high
would double State Tax.
To help the poorer coun-
ties.

General Gov't should
help (Federal Aid)

Some claim it would
interfere with State rights
"to have officers distrib-
uting funds among us."
I consider it "one of
the old ghosts of the
past."

Adorses "compulsory
School attendance."

Objections by some -
"this would take liberties
away from the people"

Answer - we already
have compulsory laws -
one to pay heavy taxes,
one to compel learn-

School mo. should be
changed to 20 days.

D. E. Wilkinson Taught a
graded school at Hamlin.
Many from county, & some
from other counties. He
is "about to leave the
profession ~~for~~ for the more
lucrative business of prac-
ticing law."

Commends State Supt.
Thinks he should have
another term. (B. L. Butcher)

Wayne Co. 1884 - Cont

The Co. Supt. in his report states that ⁱⁿ Grant District is in bad condition and has been ever since the Trustees had the power to fix the Teachers' salaries. They paid as high as \$50 a month for No 1, and \$35 for No. 3, while it is the poorest district in the county. They fall behind on the building fund on account of having old claims standing against them. They are behind \$65 on building fund last settlement.
